

## Sunday June 9<sup>th</sup> Kid's Page: 3<sup>rd</sup> Sunday After Pentecost

**Bible Stories:** Mark 3:20-35 (CEB)

**What we learn about God:** Today at the end of this Bible reading, we get to see how God thinks about family through Jesus' interaction with the people around him. What a surprise it is for those around him that Jesus doesn't jump and run to be with his mom and brothers when he is alerted that his family is there! Instead he tells them that anyone who works with God is part of God's family. How cool is that?? That means you and I are family with Jesus too.

**Activity:** Look around the church or your home, draw a picture of all of God's family that you can see in worship to remember just how big God's family is!
