Bible Stories: Mark 6:1-13

What we learn about God: I am horrible at packing to be away from home. My husband and son can sometimes share 1 suitcase for a trip...I tend to fill the biggest suitcase in the house and then have bags...so many side bags of extra things I think I will probably need. And confession, most of the time I have bags I packed for *just in case* that I never open on my travels.

Jesus sends his disciples out and he tells them to travel light. He knows the most important thing about their trip is the stories they can tell others about God and God's love. That tells us how important it is to tell God's story. I know you can tell people about God's love...but do you think you could travel that light?

Activity: Fill the suitcase below with things you think you might need to go on an adventure where you tell others about God's love.

**Pack your suitcase to go on an adventure. What would you and 1 friend need to take with you to go out and tell others about Jesus?
Draw those items in the suitcase below!**

Pack your suitcase to go on an adventure. Now for fun, show us what you would pack in your suitcase to go on vacation with your family?
