

Sunday July 14th Kid's Page: 8th Sunday After Pentecost

Bible Stories: Mark 6:14-16

What we learn about God: People didn't understand who Jesus was. He was healing the sick and turning water into wine—what kind of person can do these things? They had never experienced anyone who was like Jesus. Some people were amazed by Jesus. Some people felt scared because they'd never seen anything like that before. Others were confused. Only in time would they be able to understand that Jesus was God on earth. For now they are making their best guesses.

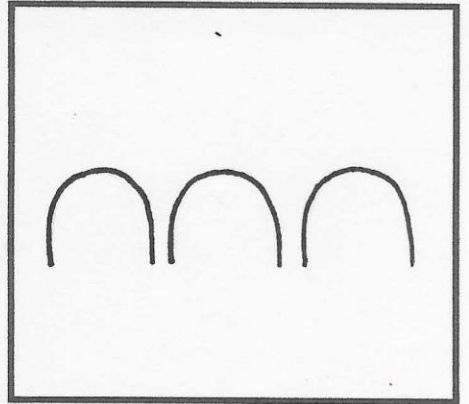

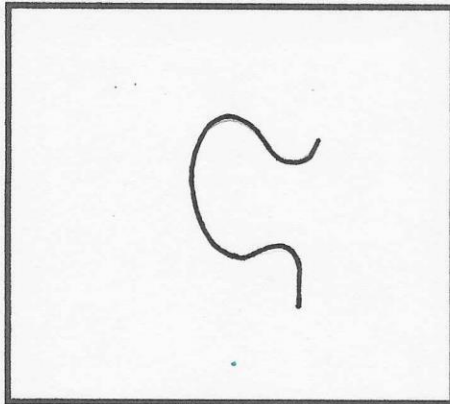

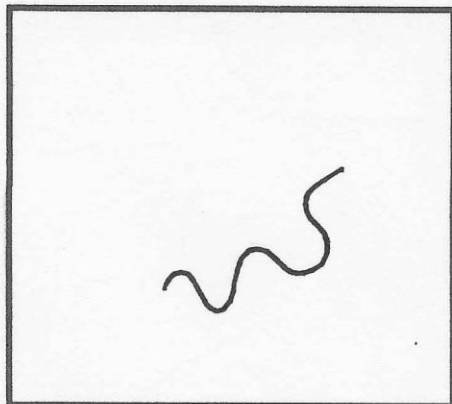

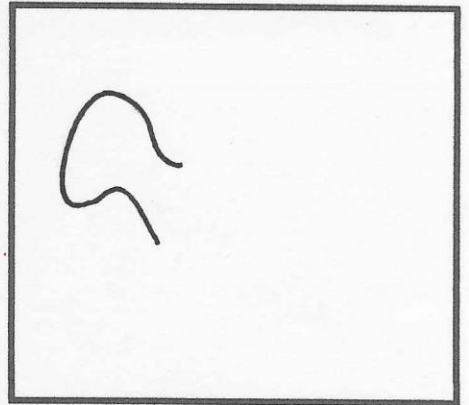

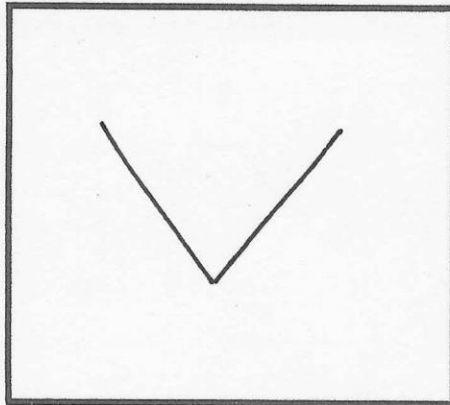

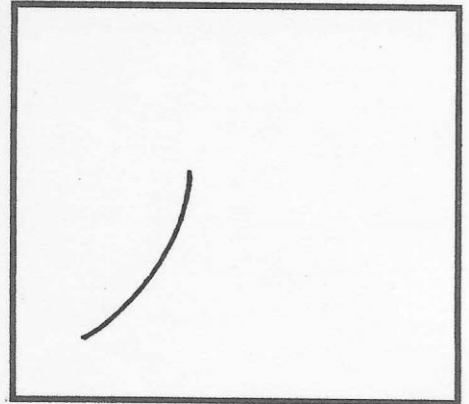

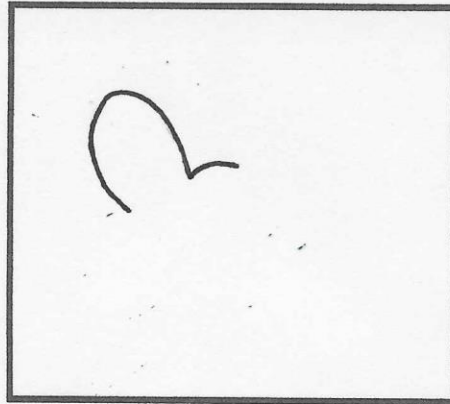

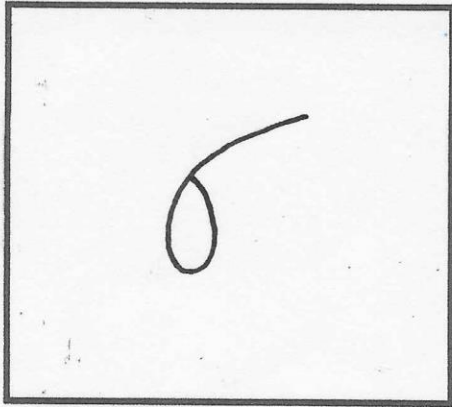

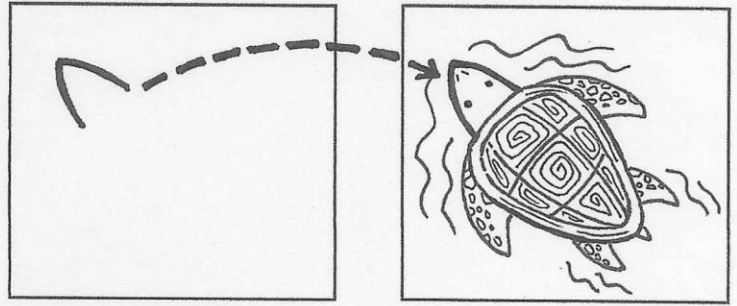

Activity: Have you ever experienced something brand new that you've never seen before? What if you don't know the name for what you've seen? Is it hard or easy to describe to others what you've seen? Use the lines below to create brand new drawings. You can draw things that you've seen or create something brand new!
